be up-graded, yes. I think that's a very good idea.

SPEAKER: Chair recognizes Senator Mills.

SENATOR MILLS: Mr. President, members of the body, under 60-409.04 it says very simply "the State Board of Education shall establish minimum requirements to be met for certification as a driver education instructor". They can do what they want to. Thank you.

SPEAKER: Chair recognizes Senator Syas.

SENATOR SYAS: Mr. President, I'm getting into this on a little different . . . I was listening to the debate thoroughly, what everyone said. Then I looked at the committee statement. I want everybody to look at that committee statement. If that tells that committee statement . . . tells you anything I'll put in with you. That's the worst committee statement I've seen. I don't think that's the type of thing we want. They didn't say anything in the committee statement about the bill. They just told you who was for it and who was against it, and what the committee action was. That does not comply with my idea, and our rules, of what a committee statement should tell you. The committee statement should tell you something about the bill, why they put it out, or why they killed it. This doesn't do it. I want you to take a good look, Mr. Speaker, on this one. This one's . . . after we're debated this on the floor before about having the adequate committee statements. This one is the worst.

SPEAKER: Motion on the desk.

CLERK: Mr. President, I move to bracket LB 18 until Monday, February 24th. Signed, Senator Marsh.

SENATOR MARSH: Mr. Speaker, will you please gentlemen go home this weekend and talk to your driver education instructors in your communities. It's the Driver Education Association which first asked for this piece of legislation. Don't say you'll have to change in your rural district until you check with your driver education instructors. That is going off half-cocked. Please come back Monday with enough knowledge to discuss this, or to accept the decision of those who are informed regarding LB 18. I ask unanimous consent.

SPEAKER: Request has been for unanimous consent to bracket LB 18 until Monday, February the 24th. Is this correct? Any objection? Seeing none, so ordered.

LB 13.

CLERK: Read bill.

SPEAKER: Mr. Clerk, before we start on LB 13, I'd like to introduce to you in the North balcony Evelyn Crane and six high school students from Rushville. This is Senator Stull's district. Would you please stand and be recognized.
